Benefits & Features

Wide Network Coverage

MTN Fixed LTE offers one of the widest available networks in South Africa, which means you'll find coverage almost everywhere.

Super-Fast Speeds

Enjoy speeds of up to 150Mbps* in ideal Fixed LTE network and coverage conditions with compatible hardware.

Quick to Set Up

Don't wait around for an installation. As soon as your LTE router is delivered and your service is activated, you'll have internet connectivity.

1 Month Capped Data Rollover

If you don't use it, you won't lose it. Any unused Anytime/Daytime data rolls over for one month, so you can bank your unused data and use it later.

No Contracts

You're not obligated to stay with us, but we are sure you'll want to.
